Front End React Engineer

About CorpAxe:

CorpAxe is the world leader in corporate access and resource management solutions for the investment community. The CorpAxe suite of products allows investors to discover, originate, manage, and value resources critical to the investment process, while meeting the demands of a rapidly changing regulatory environment.

What are we looking for?

We are a small, fast growing SaaS company that is changing the FinTech application development (non-OMS) landscape. We're looking for a React front-end engineer that creates clean and intuitive components to help shape our product's user experience.

This role reports into the Co-Head of Development. You must enjoy working in a small, collaborative team that is focused on building a world-class application platform. If you are passionate about shaping the future of FinTech, this is the job for you.

Responsibilities:

- Ideate and implement new features for our top-tier clients
- Shape, develop, and manage our front-end technology stack
- Work closely with product management and backend engineers
- Build reusable code libraries and components for the team

Requirements:

Must Have:

- React 16+ (JSX, functional components, hooks)
- JavaScript (ES6 syntax) / HTML / CSS / NPM
- Git and Git-based workflows (branching, pull requests, merging)
- Knowledge of TypeScript
- Knowledge of REST API principles

Nice to Have:

- Experience working in an Agile environment
- jQuery / Bootstrap / JavaScript (ES5)
- CSS Preprocessing (e.g. LESS, SASS, SCSS)
- SQL, C#, .NET Framework and/or .NET Core
- Knowledge of Node.js and Webpack
- Knowledge of localization and accessibility in web application design
- Knowledge of progressive web apps (PWAs)
- Knowledge of responsive design

Education:

Bachelor and/or Master Degree in a Relevant Field of Study (i.e. Computer Science, Web Development, Graphic Design, New Media, Engineering)

Note to recruiters: CorpAxe does not accept unsolicited resumes from recruiters and/or placement agency resumes. We will not pay fees to any third-party agency or company that does not have a signed agreement with CorpAxe.
